1. With reference to your memorandum of 4 August 1958 [redacted] believes that the East German publication which was withdrawn was one dealing with East Berlin. The 1957 Yearbook, as you may have discovered since writing your memorandum, is on sale and the PPO in Berlin has sent a large number of copies to Washington. Also, [redacted] look for the translation of an official report on the results of the 1957 Year Plan and outlook for 1958 which we are sending to Ed Snell. It was collected and translated by CIC and will probably not be available from any other source.
